STANDARD TERMS FOR WINNERS

22. If we can't get hold of you within 48 hours of the prize draw, we'll have to select another winner. So make sure you check your email and keep your phone handy!
23. For some competitions (eg where there is international travel involved), we may need to do further checks to make sure you're eligible. You agree to help us out with that.
24. Unfortunately, prizes can't be traded in for cash. Unless of course they're cash prizes. Then you'll get cash.
25. Prizes are personal to the winners and can't be transferred to someone else unless we agree. If you can't accept the prize for any reason (e.g. you can't travel on the necessary dates), we can award the prize to another winner.
26. If you're disqualified for any breach of these Rules (e.g. we find out you don't match the eligibility criteria), we'll choose another winner.
27. It doesn't happen often, but sometimes we need to change a prize. If we do this, we'll swap it out for something which is worth the same (or even more!).
28. If we ask, you agree to appear in a promo (for free) for TVNZ or the competition promoter.
29. Sometimes there can be tax implications with winning a prize. We wouldn't want there to be any surprises for you, so suggest you talk to someone about this before you accept the prize.
